Fabric Collection

- We carry more than 1,200 Original items, 15,000 Original colors, 7,000,000 meters in stock. We design all our fabrics in-house, offering a variety of products for various applications. They are produced in partner factories in Japan, China, and other Asian countries in compliance with strict Japanese quality control standards.
- We have 3 brands, VANCET, SEVENBERRY and Handworks* Fabric. VANCET offers a large selection of fabrics at reasonable prices, including solid and yarn dyed, synthetic (e.g. polyester and nylon), wool, and knitted fabrics. SEVENBERRY offers a variety of original prints, ranging from basic and classic patterns to the latest seasonal designs. Handworks* Fabric offers fabrics for patchwork, sewing, and other handmade crafts. They are available in rolled on tube and double rolled, so you can choose the one best suited to your needs.
- We release catchy brand new items 3 times per year.

Low MOQ / Quick Delivery

- We always keep inventory for our 1500 original items. We keep our inventory in the Sojitz Group's distribution warehouses where all inventories are monitored by the meter. We also have a system that allows us to start preparing for shipment as soon as we receive an order from our online store so that we can deliver orders quickly to customers inside and outside Japan
- As long as we have available inventory, we can arrange the shipment right away after got your payment.
- You can order from 1mtr – 20mtrs / color for sample,
from 1 roll (about 50mtrs) /color for bulk.
The shipment minimum is 2,000m/total.
(We can accept 500m/shipment by courier collect.)
- We have much experience to export our fabrics to all over the world.
